School Program Recruiting Summer Program Students

GILBERT – The Mingo County Youth Education Program (YEP), a service that provides hands-on learning, recreational and enrichment activities for students, is recruiting students from Gilbert Middle School for its summer term starting June 25 and continuing through July 17, 2014.

The activities will take place at Gilbert Elementary School Tuesday through Thursday from 10 a.m. until 2:30 p.m. and is open to students in grades 5-8. Students entering the fifth grade from Gilbert Elementary for the 2014-2015 school year may participate as well. Breakfast, lunch, and bus transportation for participating students will be provided.

Space is limited and participation will be on a first-come, first-served basis. Parents should have already received information and an application for the summer program, but if not, they should contact Candace Vance at 304.664.8197. Applications need to be completed and returned to Ms. Vance prior to the end of this school year.

Funding for YEP is provided through RESA 2, a full service educational agency in Huntington, W.Va., via a federal 21st Century Community Learning Center grant.
